work

The ordinance providing for a Historic Preservation Commission was enacted on September 18, 1990. Applicants are urged to read the full ordinance #9296 (27 pp) and the amendment to it #9497 (3pp). Both are on file at the Joliet Public Library at the ready-reference desk. Ask for the "Preservation Ordinance". City Hall also has copies.

Historic Preservation Commissioners are appointed by the Mayor, approved by the City Council and serve for three years. The Commission meets on the fourth Wednesday of each month in City Council Chambers at City Hall, 150 West Jefferson Street. Commissioners also serve on committees where much of the commission's work is accomplished.

Below is a section from the ordinance describing the basis on which a commissioner is selected. Please indicate which area best describes your area of expertise, experience, or interest.

“(b) The voting members of the commission shall be residents of the City of Joliet and shall be appointed on the basis of demonstrated expertise, experience or interest in the area of anthropology, architecture, art, building construction, engineering, finance, historical, and architectural preservation, history, law, community development, planning, real estate, and related development, planning, real estate, and related professions.”

Please include a paragraph telling why you are interested in serving Joliet as a Historic Preservation Commissioner. Use this application sheet or include an attachment.

This application will be reviewed by a committee of the Historic Preservation Commission and will be kept on file for consideration when openings occur in the future.

Questions may be directed to Barbara Newberg, City Planner, and liaison for the Commission, at 815/724-4052 or any of the City Commissioners.

Send to: Barbara Newberg, Planning Department, City of Joliet, 150 West Jefferson Street, Joliet, Illinois 60432
