WASTE MANAGEMENT FACING MORE DELAYS WITH RESIDENTIAL PICKUP DUE TO THE WINTER STORM

Waste Management has notified the City of Joliet that they will attempt to pick up Monday and Tuesday’s (January 6 and 7, 2014) garbage on Wednesday, January 8, 2014. Picking up garbage will be their priority and they will attempt to get the recycling as well.

Waste Management will be starting their pick up one hour early (6:00 AM) until all garbage and recycling has been picked up.

If your regularly scheduled pick-up day is Wednesday, Thursday, or Friday, your garbage will be picked up one day later. The City of Joliet suggests leaving your garbage and recycling carts at the curb until it is picked up.

The City of Joliet and Waste Management appreciate your patience during this challenging weather.

If you have any questions, you can contact Waste Management at 815-280-7854 or www.wm.com.
