A PORTION OF THE MARION STREET COMMUTER LOT WILL BE CLOSED ON SATURDAY, MAY 3, 2014

As part of the continued work on the Joliet Gateway Center transportation campus, one day of utility work will be done within the Marion Street Commuter Lot on Saturday, May 3, 2014. Commuters will still be able to access and utilize the Marion Street parking lot from Chicago Street, however, a small number of parking spaces will be unavailable at the location of the work.

The New Street viaduct is still closed. Pedestrians will need to use the Scott Street underpass and the Union Station tunnel for access. Drivers are advised to exercise caution when travelling in the area. It is anticipated that this drain installation will be completed on May 3, 2014, with final asphalt restoration to be completed at a later date.
