UNION PACIFIC RAILROAD VIADUCT MAINTENANCE WORK ABOVE JEFFERSON STREET

The Union Pacific Railroad (UP) will be replacing the railroad handrail on the east side of the railroad viaduct above Jefferson Street between Scott Street and Mayor Art Schultz Drive. The work will require a lane closure on Jefferson Street to ensure the safety to the motoring public.

A lane closure will be set up on Monday, August 11, 2014, and last approximately two weeks while the railroad work is being completed.

Motorists are advised to use caution and obey all temporary traffic control devices while driving in the area.

If you have any questions or would like further information, contact the Joliet Public Works Department at (815) 724-4200.
