ACCREDITATION ASSESSMENT TEAM INVITES PUBLIC COMMENTS

Joliet Police Chief Brian Benton announced today that a team of assessors from the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) will arrive on March 29, 2015 to examine all aspects of the Department’s policies, procedures, management, operations, and support services. Chief Benton noted that verification by the team that the Joliet Police Department meets the Commission’s state-of-the-art standards is part of a voluntary process to gain accreditation - a highly prized recognition of law enforcement professional excellence. The Joliet Police Department attained its original accreditation in 2003.

As part of the on-site assessment, agency employees and members of the community are invited to offer comments at a public information session on Monday, March 30, 2015 at 6:00 p.m. The session will be held in the Council Chambers in City Hall, 150 West Jefferson Street, Joliet, Illinois.

If for some reason an individual cannot speak at the public information session but would like to provide comments to the assessment team, he/she may do so by telephone. The public may call 815/724-3215 on Monday, March 30, 2015 between the hours of 1:00 p.m. and 3:00 p.m.

Telephone comments, as well as appearances at the public information session, are limited to ten minutes and must address the Police Department's ability to comply with CALEA's standards. A copy of the standards is available at the Joliet Police Department, 150 West Washington Street, Joliet, Illinois. Local contact is Officer Franklin Coleman, the Department’s Accreditation Manager, at 815/724-3221.

Anyone wishing to submit written comments about the Joliet Police Department’s ability to comply with the standards for accreditation may send them directly to the Commission on Accreditation for Law Enforcement, Inc., 13575 Heathcote Boulevard, Suite 320, Gainesville, Virginia 20155.

The Joliet Police Department must comply with 484 standards in order to gain reaccredited status. Chief Benton said, “Maintaining CALEA accreditation results in greater accountability within our agency, improved efficiency overall and helps to reduce our agency’s risk and liability exposure.”

According to Deputy Chief Tab Jensen, the assessment team is composed of law enforcement practitioners from similar, out-of-state agencies. The assessors will review written materials, interview individuals, and visit offices and other places where compliance can be witnessed. The CALEA assessors are: Retired Chief Jack O'Donnell, West Des Moines Police Department, West Des Moines, Iowa; and Lieutenant Virgil Hubbard, Knoxville Police Department, Knoxville, Tennessee. Once the Commission’s assessors complete their review of the agency, they report back to the full Commission, which will then decide if the agency will be granted reaccredited status at its July 22-25, 2015 conference in Colorado Springs, Colorado.

Accreditation is for three years during which time the agency must submit annual reports attesting continued compliance with those standards under which it was initially accredited. The Joliet Police Department first became accredited in 2003 and reaccredited in 2006, 2009 and 2012.
